

[Scribble draft] Scribble 2.0 | Analysis brief

Executive summary

The source ledger was read into a separate analysis draft. Revenue and margin trends should be verified against the workbook before any business decision. The source remains unchanged.

Review snapshot

Check	Draft result
Source workbook	Read without writing
Analysis workbook	New draft created
Presentation	Four-slide draft created
Human review	Still required

Next actions

- Confirm the totals and date labels against the source ledger.
- Review every slide and page before sharing the output.

Status: Offline Scribble writer sample. No hosted model was called.
